Limpert V. Baldwin

Yes i am writing you to file my Strong Objection to this lawsuit. I was at Shawnee Correctional Center i slipped on the wet floor in the Dietary Department and i fell landing on my back. I sent a request to the Health Care trying to get some medical attention and it took them seven days to call me. Well i was hurt and in pain and i am still in pain i wanted them to take me to the street hospital to be checked but they refused and here i am in Centralia still hurting. This lawsuit is not going to change a thing as to the way that they do provide medical care. Case # 10-CV-4603 (N. D. ILL)
